Ubiquitous Media Conference, Tokyo

Theory Culture and Society, 25th Anniversary Conference

Hongo Campus, University of Tokyo

13th-16th July 2007.

Episode: Pleasure and Persuasion in Lens-based Media [Video Show-Reel]

New video works by:

Amanda Beech, Julie Henry, Jaspar Joseph-Lester, Nayan Kulkarni, & Giles Perry

To accompany the panel that Amanda Beech, Jaspar Joseph-Lester, and Matthew Poole organised as part of this conference they curated a show-reel of video works by British artists that was exhibited at The Hongo Campus Gallery from 13th-16th July.

The exhibition and inclusion of a panel at the conference was made possible by the generous support of The British Council, University of the Arts London, University of Essex, and Sheffield Hallam University.
